Notes on completing this form

C – series sail numbers are internationally valid, as per the appropriate RYA prescription to the ISAF "Racing Rules of Sailing". The assigned number may optionally be prefixed with "GBR", according to the owner's preference. Numbers are normally assigned on the basis of the next available. Owners seeking a "special" number should contact the office. If a suitable number is found the additional fee will be payable.

If a number has been provisionally allocated to you, following discussion with the office, it will be confirmed in an email and may be noted on any form sent to you. Provisional allocations are held for one calendar month only.

Sail numbers are valid for the lifetime of the vessel. Owners are requested to keep the Association's records up-to-date by notifying changes, errors, wreck or destruction, etc.

On receipt of the relevant fee you will be issued with formal confirmation and may notify your sailmaker. Notification will be by email unless you request otherwise.
